

## Simply Fresh Events has your top 5 re-opening essentials:

1. **PPE (Personal Protective Equipment):** Gloves and masks for your employees, as well as hand sanitizer for your incoming clients
2. **Pre-Packaged Lunches:** Help your employees with the inevitable overload that come with reopening by providing pre-packaged gourmet meals
3. **Sanitation Products:** Keep your office sanitized with bleach wipes and disinfectant sprays
4. **Grocery Essentials:** Show your essential workers love with essential care packages they may be missing from their local store: meats, veggies, paper products and more
5. **Outdoor Infrastructure:** You may have to transition to outdoor service- be prepared with tenting, air conditioning and furniture

Simply Fresh Event has specialized in Disaster Catering Services for years.

Contact us so we can help you transition into the first phase of re-opening.
